I. International Europa-Park Symposium on Cardiac Arrhythmias

Welcome Address

Dear Friends and Colleagues,

It is my great pleasure to invite you to attend the I. International Europa-Park Symposium on Cardiac Arrhythmias held in Europa-Park Rust (Germany) on June 30, 2012.

An outstanding Faculty, consisting of the very important experts in the fields of clinical arrhythmology and electrophysiology will present the current status and recent developments in the diagnosis and treatment of atrial fibrillation, ventricular arrhythmias, cardiac resynchronization therapy, sudden cardiac death, inherited rhythm disorders, device therapy, cardiac monitoring technologies and Syncope.

The Symposium will be held at the Hotel Colosseo in Europa-Park Rust, which is set in a delightful and culturally rich region near the borders of Germany, France and Switzerland. Europa-Park Rust is the largest seasonal theme park in the world, attracting over 4 million visitors a year.

I am confident that the I. International Europa-Park Symposium on Cardiac Arrhythmias will be a valuable and enjoyable experience to you.

Looking forward to seeing you in Europa-Park Rust, sincerely

Assoc. Prof. Juraj Melichercik, MD, PhD
